BURSARY APPLICATION FORM

PURPOSE OF FORM

The Trustees of the Bursary Fund request all parent(s)/guardian(s) of students applying for a place in Belvedere College Social Diversity Programme to supply it with information on the family's finances.

This information is necessary as part of the application criteria for bursaries.

CONFIDENTIALITY

The factual information provided will be handled as confidential, need to know. The distribution and retention of data will be controlled to ensure confidentiality is not violated.

DATA PROTECTION

Belvedere College S.J. is committed to adhere to the provisions of the Data Protection Acts 1988 and 2003, and in so doing to afford adequate protection to all students with regard to personal information held by the school.

- ◆ The Social Diversity Programme (SDP) is central to the philosophy and ethos of Belvedere College. It promotes justice in its desire for equal opportunity of access to education, it promotes excellence in its encouragement of students to maximise their potential.
- ◆ It is not an academic bursary; it is not a sports bursary. The basis of the program is to offer a six year secondary Jesuit education to students who would not otherwise attend the College due to social and financial barriers.
- ◆ Bursaries are awarded on the basis of an interview in the home/school/alternative venue, a consultation of school reports and an assessment of the family's means (i.e. financial situation).
- ◆ Parent(s)/Guardian(s) wishing to apply must fill out this form and return it to the Headmaster accompanied by copies of school reports, a recent photograph, other relevant certificates or documentation by 31st March of the year preceding entry i.e. 31st March when the applicant is in 5th class.
- ◆ Eligible applicants will subsequently be contacted to arrange an interview.
- ◆ As the SDP application form only covers the allocation of bursaries, applicants will also need to complete another form for school admission in October of the year preceding entry.
